

As we prepare for **KAR Hot Springs | February 27–March 1**, the venue has implemented a new policy regarding the roll-up door used for prop load-in.

Roll-Up Door Policy Update

Only Venue staff are permitted to operate the roll-up door.
Studios may not open or close the door themselves.

We understand this adjustment impacts prop move-in logistics, and we are committed to making this as smooth as possible.

Please plan accordingly and communicate these windows with your teachers and prop teams to ensure smooth transitions throughout the weekend.

If you have oversized props or special timing concerns, please reach out in advance so we can coordinate properly.

We're looking forward to a fantastic weekend in Hot Springs! Let me know how I can help.

Best,
